Thanks, we're planning on separating the waste and sending the sludge to their facility for solidification.

Hi Gary, US Ecology, Robstown, TX is acceptable for CERCLA wastes.
Last inspection was conducted June 13, 2008.

CERCLA

Gary,

Is the US Ecology disposal facility in Robstown, a CERCLA approved facility? We are proposing to solidify the tank bottom waste, which has been characterized as non hazardous, at the facility and dispose of the waste at the facility in their landfill.
